

Dear Chairman Powell:

I am writing regarding the upcoming vote to change FCC regulation of ownership of broadcasting networks. I urge you to allow more time for debate and consideration of this proposed change. I do not believe that we should allow consolidation of networks. The diversity is necessary to get a balanced unbiased reporting of the news. The American people have a right to know the wording of any changes that may be planned. Please delay the vote and reconsider your position to change the rules in anycase.

Sincerely a concerned Media consumer,
